Caution
All trails and forest roads have two way traffic. Watch for oncoming vehicles and other forest users
Revision Date 3-1-11
PBFR MC Inc hopes this map will help MRT OHM trail users locate riding opportunities in the Paul Bunyan State Forest. This map and corresponding waypoint information may only be used as a reference for navigation. Riders who use the MRT and this map do so at their own risk. A copy may be obtained at www.paulbunyanforestriders.com. An official map may be found on the MN DNR website.
The Paul Bunyan State Forest is classified as Limited Use. You may only ride on trails marked open for your vehicle. You may also ride on all forest and minimum maintenance roads.
This map has been published by the PBFR MC Inc with help from the State of MN and Brothers Motorsports of Brainerd, MN.
